

### Get Started

Drag the logo to the right to get started.

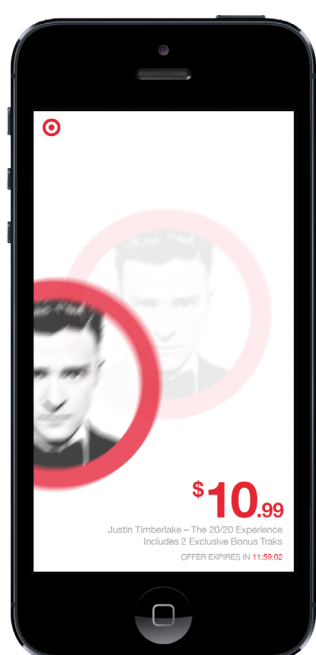

### Question

App asks a simple, conversational question to learn more about your preference and provide more relevant offers. Drag the question to left or right to choose an answer

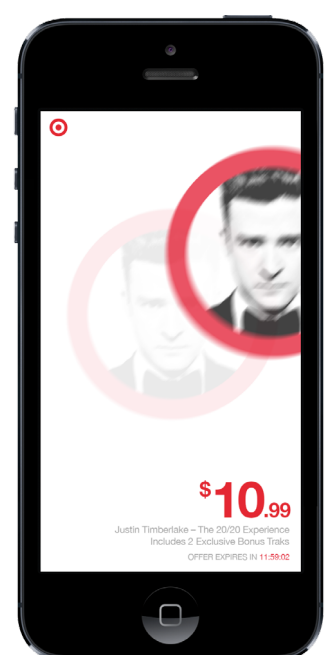

### App Presents an Offer

You can take the offer or dump it.

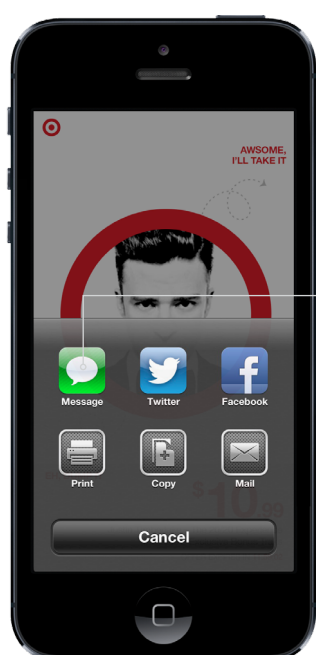

### Dump It

Drag the item to the left

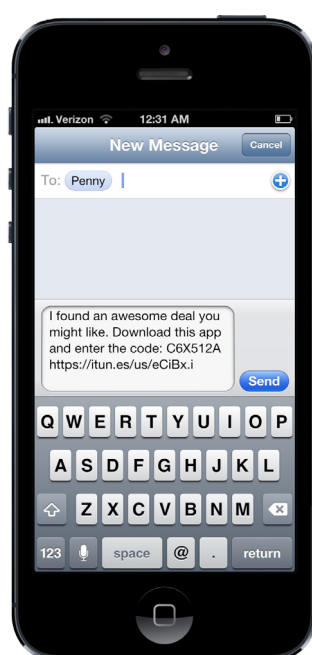

### Take It

Drag the item to the right

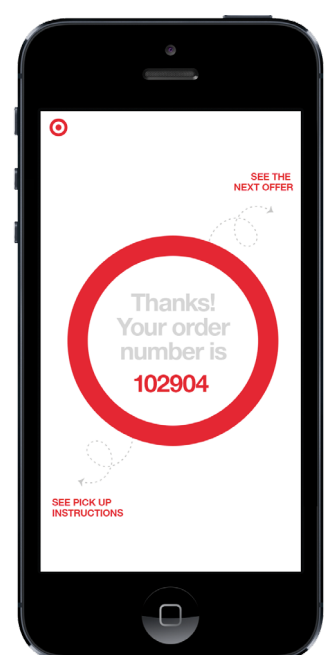

### Dumping Method

Choose how you want to dump the offer

### Dumping Message

The message will contain a link to download the app and a code. Only one person can claim this offer with the code to maintain the exclusivity. First come, first serve.

### Thanks

You can see the next offer or see how you can pick up your item at the local Target store
